This one-day annual fundraiser for the Daniel Boone Native Gardens is a great opportunity for you to connect with customers early in the season. Numerous customers are asking for native plants and shrubs. You can be assured that anyone attending the sale wants to buy native plants.

At the end of the day, a contribution of 20% of gross sales is requested as a contribution to the Daniel Boone Native Gardens. We will be prepared to provide you with a tax-deductible receipt.

Your plants need not be solely native species, but we ask that you bring only locally-raised plant material for sale. Trees and shrubs, wildflowers, vegetable flats, perennials, etc, are all welcome
